Deck The Halls

The kids at the Boys & Girls Club made snowflakes out of paper and popsicle sticks. Each snowflake is so creative and unique, just like the kids that made them.

The third graders at Lincoln school went all out for decorations. They made reindeer, trees, snowflakes, and gnomes/santas.

The kids at Stepping Stones made a few different types of snowflakes using paper, paint, glitter glue, yarn, and pearls. These snowflakes add some sparkle to our hallway.

Because of COVID this year, colleges were unable to get together and make decorations for our center. We reached out for some decorations and boy did our community deliver. The Boys & Girls Club, Lincoln School, and Stepping Stones all made us beautiful, hand made creations to put up in our hallway. The children love seeing all of the snowflakes hanging from the ceiling and the reindeer, santas, and trees on the walls. Even better, each child gets to pick a few decorations to take home with them for Christmas! Thank you so much to the Boys & Girls Club, Lincoln School, and Stepping Stones for making this happen this year. We couldn't have done it with you.

P.S. We are in the process of getting everything put up. Pictures of our decorated hallway will be on social media soon.

"We Believe" River City Domestic Violence Center

[Target Registry](#)

River City Domestic Violence Center and River City Family Connections have been quite busy this year and we are in need of everyday household items for our survivors/clients. We have an Angel Tree at **Roger's Family Pharmacy** with items we are in need of. There you can pick as many items/ornaments as you would like to help with, and drop off your donation items to our River City Family Connections facility. Otherwise, if you would like to shop online, a **Target registry** has been set up and is live NOW through January. We are so thankful for our donors and appreciate you all year long. Help us spread Christmas cheer and keep our survivors/clients safe all year round!
