

Dancing with the Stars

Let's Go Dancing!

Dancing with the Stars is in full swing and coming to a close this weekend. Have you seen the dancer's videos yet? Click the button above to be taken to the event page where you can watch the videos and pledge to your favorite!

A note from the Executive Director:

I want to extend a sincere thank you to all the couples that participated in this year's 8th Annual **Heart-to-Heart Dancing with the Stars**. Each of you brought out your talents and shared them with the community. Your dancing and pledging will provide a glimmer of hope to a man, woman or a child faced with heart-rendering abuse. Know that you have provided the start of healing for those that walk into River City Domestic Violence looking to start their journey of healing. Each victim that calls us, walks in to visit with us, or stays in our safe haven is seeking help. Their abuse is not a one-time event, it is a series of events that takes place over time before they reach us before they muster the courage to reach out to us. For those individuals, your contribution will ensure that River City Domestic Violence is there to answer their call and provide hope and reassurance in a time of desperation.

The generosity of each of you and your pledgers will be a forever impact on our agency to help victims and none of those pledges would have been possible without **YOU**. Your dances, moves, songs, and talent has made us laugh and cry. Laugh, because you are brave and put yourself out there to help another and cry, because we feel the love and awareness that you are spreading about our agency.

I also want to thank EACH and EVERY ONE of the sponsors who have supported our dance couples and our agency. Thank you again for always being the light that shines upon our community.

And lastly but not least, I want to thank the TEAM and Board members at River City

Domestic Violence Center. They are the branches that reached out during this pandemic and made this event crazy fun. They are behind the scenes “making it happen” go getters. Their enthusiasm for this event lies in knowing that they will be able to provide support, comfort, services, late night crisis calls, and most importantly security and trust.

Sincerely,

Stacy Starzl Hansen
Executive Director

National Bake for Family Fun Month

Did you know February is National Bake for Family Fun Month? Baking together is great for bonding together. Let the kids help you bake and watch how their face lights up. There may be some flour scattered on the kitchen floor, but I promise it is all part of the fun. Check out these simple recipes. (If you're not thrilled about flour everywhere, these recipes do not contain flour)
