Lets get Crafty Corner

Already this month is it hot! And what is the one thing that can cool you off this summer on any hot day?? You guessed it ice cream! Enjoy this fun craft with the kids and than enjoy your favorite ice cream treat!

- Green, red, and brown paint
- **Elmer's Glue**
- **Barbasol shaving cream**
- White cardstock paper
- Cardboard
- Scissors
- Marker
- Paintbrush

Mix together the shaving cream and glue until stiff peaks form. Mix in green paint. Cut out a triangle on cardboard. Draw lines on the cone with a marker. Use a paint brush and paint an ice cream shape on top of the cone. Take a tiny

paintbrush/brown paint and add chocolate chips! Add a cherry on top! Let dry overnight and you have an ice cream cone that looks good enough to eat ;)
