## ABOUT ME

My name is Shayla, and I am the new Coordinator for Family Connections. I am excited to be a part of a place that provides families a safe experience during their time together!

I am from Vermillion, SD. I graduated from USD in 2020 with a Bachelor of Social Work. Prior to starting at River City Family Connections, I have worked with those facing housing issues and victims of crime, including domestic violence. While I have always had a passion to be an advocate for victims and survivors, I have recently grown to see the importance in advocating for children in a multitude of ways. I am looking forward to serving the Yankton community in this way!

I love to spend time with family and friends in my free time. During nicer months, you will find me outdoors enjoying the warm weather in any way I can. When the Winter months hit, I enjoy being curled up with my fur babies watching Netflix.
