

**Executive Director**

**My name is  
Stacy.**

## **16 years of Advocacy**

It is my mission to embrace victims, survivors and children who have been impacted by child abuse, domestic violence, sexual abuse and sexual assault. My career includes 16 years of advocacy, administration, grant writing, and supervision. With 12 years non-profit experience coupled with four years Higher Education administrative knowledge and experience. I have a BA in Psychology with a minor in Child and Adolescent Development with an emphasis on Child Trauma.

## **I believe in survivors**

My hope is to be able to provide emotional support and a safe haven for those who have been victimized. By choosing to listen to their struggles with courage and genuine connections, I hope to reach victims and survivors with compassion, and free of judgement as I walk alongside them in their journey toward wholehearted living.
