My name is Sarah & I am the Lead Room Monitor for River City Family Connections. I first joined this team as an intern for the Domestic Violence side in fall of 2021. I moved on to service learning on the Family Connections side in the spring of 2022. I began my work with Family Connections as a part-time room monitor in May 2022. Before long, I came back to the team as the part-time lead room monitor in January 2023.

I graduated from Mount Marty University in 2022. There I completed my BA in psychology with a minor in theatre. What sparked my interest in working with children & parents who are going through a separation was my experience as an intern & service learner. I am happy to help parents visit & exchange their children in a safe environment.

In my free time I enjoy being out & about with family. When it is nice enough outside, I enjoy going to the lake or pool to swim. In the colder months, I like to stay inside & cozy up in a pile of blankets.
